

Dear IEEE Eastern North Carolina Section colleague!

With summer in full swing, we are planning our IEEE Summer social. We plan on having a picnic with our section. The date has not been decided yet but Saturday, September 7 is a likely candidate.

Also, coming soon is an announcement with details about the ENCS elections. As you know, every year we elect 4 officers as chair, vice chair, treasurer, and secretary. A notice on how to run for office and dates will be sent out in the near future.

ENCS is part of the Raleigh Cyber Security Conference on July 18. Details are provided below.

Our next leadership meeting (ExCom) will be on 7/17. All IEEE members are welcome.

Finally, I want to thank Ken Pigg who is moving to Alaska for his excellent job as section treasurer. It was very good to work with Ken. He was prompt, reliable, and accurate. Ken was very active in our section and held several positions in our section over the years, including section chair. We wish him all the best in his new home. The new treasurer is Amit Bhatia and his contact information can be found on our Who-is-Who web page. Thank you Amit for taking this role.

Matt Horner
IEEE ENCS Chair
